

ACCOUNTS RECEIVABLE

If you have to wait days for your financial reports, you're costing your firm valuable dollars! The Accounts Receivable of any firm is its lifeblood. Take advantage of the flexibility and control that handling your own accounting provides. Now from Radio Shack, to assist in providing you better control of your business, comes the most powerful Accounts Receivable program with features usually found only on minicomputers.

Features

- Calculating, Printing and Posting Finance Charges
- Accumulating Revenue and Expense by Profit Center
- Calculating Commissions and Printing Commissions Due Report
- Calculating and Adding Sales Tax, based on Customer Tax Code
- Calculating Due Date of Invoice, based on Customer Payment Terms
- Accumulating Cost of Sales
- Defining Aging Periods
- Using either no Finance Charge, one level, or two level Finance Charge
- Using up to three Sales Tax percentages for each customer
- Aging by Due Date or Invoice Date
- Defining the number of days Past Due before Finance Charges are added

This thorough system allows both Balance Forward and Open Item Accounts. Operator ease is provided by allowing default to most frequently used General Ledger Accounts for rapid entry of data. Also, a complete set of sample data is included to assist you in learning the operation of the system through "hands-on" experience prior to using it with your data.

Minimum System Requirements

TRS-80 Model II with 64K Memory
Expansion Unit with 2 additional Disk Drives
Radio Shack Printer capable of 132 columns per line on 15" paper (such as the LP V) and appropriate connecting cable.

System Capacities

800 Customers
100 General Ledger Accounts
100 Salesmen
100 Codes (Ship Via; Tax, Terms)
2500 Transactions (A/R Open Items)
6000 Combined General Ledger Distributions and Commissions Due

Cat. No. 26-4604 Suggested Retail Price (may vary at individual stores and dealers) \$499.00

The Accounts Receivable Program (Cat. No. 26-4604) gives your TRS-80 Model II the most flexible, versatile Receivable package yet designed for a microcomputer. This system was designed to allow you to mold it to your business — not the other way around!

For even more control of your business information the Accounts Receivable program can combine with our new Order Entry Program (Catalog Number 26-4601) and Sales Analysis Program (Catalog Number 26-4607). Additionally, add our General Ledger Program (Catalog Number 26-4601) and you can automatically transfer all appropriate information from Accounts Receivable to the General Ledger by answering just four questions!

Financial Reports

This comprehensive system includes numerous reports vital to every businessman including:

- Aging Reports with or without Detail for All or Selected Customers
- General Ledger Distribution
- Cash Application Worksheet, showing Balance Owing, the Valid Discount, and the Net Amount Due from each customer
- Customer List by Alphabetic or Numeric order

Plus, the ability to print:

- Statements both with or without Aging and with or without Remittance Advice
- Statements for All or Selected Customers
