Radio Shack® Sponsors Houston "Personal Computer Showcase"

The Houston Personal Computer Showcase is a unique opportunity to hear top computer industry speakers and view a wide range of hardware and software available for Tandy® and Radio Shack® computers from dozens of different companies.

The first of five showcases to be held this fall, the Houston event will be Tuesday, September 18 and Wednesday, September 19 at Albert Thomas Hall, from 9 a.m. until 7 p.m. each day. Complimentary tickets are available at all Houston area Radio Shack Computer Centers and Radio Shack Plus Computer Centers.

The two-day showcase includes exhibits and a series of seminars covering topics of interest to business and professional people, educators and the general public. The exhibit area will consist of approximately 125 booths showing hardware, accessories and a wide variety of software including accounting programs, word processors, electronic filing, educational and entertainment items.
