

TANDY DISK CARTRIDGE SYSTEM

FACT SHEET The Product

- o The high performance 10-megabyte Tandy® Disk Cartridge System is a removable disk cartridge system that combines the dependability of a hard disk drive with the convenience of a floppy disk drive.
- o A low-cost-per-byte system, it retails for \$2,195.
- o Works with the Tandy® 1000 and 1000 HD, Tandy 1200 HD computers and other IBM® PC compatible computers. Soon to be offered for the XENIX™ operating system based multi-user Tandy 6000 computer.
- o Transfers data as fast as the host allows, up to 1.13 megabytes per second.
- o More resistant to shock and vibration than many other fixed or removable disk drives.
- o Available in June at more than 1,200 Radio Shack® Computer Centers and participating dealers nationwide.

The Hardware
