

TANDY... Clearly Superior™

DWP 510 Daisy-Wheel Printer

If you demand excellence, our finest 15" daisy-wheel printer is for you. The DWP 510 prints correspondence, reports and memos at over 500 words per minute, with that crisp, professional "electric typewriter" look.

DWP 510

Daisy-Wheel Printer

Our Best, Full-Featured 15" Daisy-Wheel Printer

Dependable Tandy daisy-wheel printers give correspondence, memos and reports the crisp, clear appearance of electric-typewriter copy. The Tandy DWP 510 printer (26-1220) includes convenient features like underlining, boldface, forward, reverse and half-line paper feed for precise printing. Interchangeable print wheels make possible a choice of type styles, each using the ASCII character set, special symbols and control codes. Extra options, like a dual-bin sheet feeder, improve paper flow through the office. IBM compatibility is available with the addition of optional-extra software.
